Carried

Motion 180/25 B. Joy/DM. C. Downey

Be it resolved that an easement be obtained from the residents on the right-side Payne's Lane (vacant land) to give access to Alexander Drive, for emergency vehicles and residents, while construction is ongoing with the upgrade of the water and sewer lines. As per section 172 of the Towns and Local Service District Act. **Deadline from the residence be August 6, 2025.**

172. (1) Employees or agents of a town authorized by the town council may enter upon all real property and, at reasonable times, into the buildings and structures on real property, whether publicly or privately owned, to do all things necessary for the purpose of making surveys or examinations or obtaining information relative to the construction, alteration, repair, maintenance or inspection of a water supply system, sewer system, storm drainage system or other public works that the town council is empowered to undertake or to control in the town.

(2) Employees or agents of a town may at reasonable times enter upon all real property, whether publicly or privately owned, and enter into the buildings or structures on real property for the purpose of carrying into effect the work and system of water supply, sewage and storm drainage or other public works that the town council is empowered to undertake or control in the town.
